WPM: 68 | Words: 51 | TTR: 0.63 | Fillers: 3 | Discourse: 0 | Complex: 0

Pronunciation: Mostly clear (score 7, avg conf 0.814)

Sample: There is an abundance of wildlife in China! We have animals like the giant panda which are iconic of China. But there are also many other wild animals such as elephants, tigers, leopards and monkeys

Q2

Q: Is it easy to remember your teachers in elementary school?

My answer: Do you remember in elementary school? I will say yes. I remember most of my teacher's elementary school because elementary school is a very important state in human life. So when I was a child, the elementary school was the first group of at that time, I'm with every day, so I will remember in a long time.

WPM: 77 | Words: 58 | TTR: 0.64 | Fillers: 0 | Discourse: 1 | Complex: 2

Pronunciation: Mostly clear (score 6.5, avg conf 0.756)

Sample: Oh, I could never forget the teachers I had in elementary school. Elementary school is such a formative stage of a person's life and the teachers you had you would see every day. My teachers were probably some of the most influential people in my childhood.

Q3

Q: Which do you prefer: shopping at street market or shopping at a shopping centre?

My answer: shopping street market or shopping center. I would prefer shopping and shopping center is because shopping center has more choices than a street market has when I need to buy a lot of stuff, clothing, so various categories the shopping center will be the best choice than the street market.

WPM: 67 | Words: 50 | TTR: 0.64 | Fillers: 0 | Discourse: 1 | Complex: 2

Pronunciation: Mostly clear (score 7, avg conf 0.801)

Sample: Personally, I prefer shopping at a shopping centre rather than at a street market. I find that shopping centres are more convenient and easier to use. You can find everything you need at a shopping centre while street markets normally have a very limited selection of products.

Q4

Q: How easy is it for people in your country to keep healthy?

My answer: Is it easy for people in your country to keep healthy? I was saying yes. A lot of people in my country tend to eat very healthy like they are vegans and there are a lot of people who have a habit to exercise in a gym daily so I would say it's easy for my people to keep healthy.
